Welcome

Dear Colleagues and Friends,

Soroptimist International (SI) will be holding its 22nd International Convention in Dublin, Ireland from 27th to 29th July 2023 with the theme Challenge the Future.

For many, Ireland's capital needs no introduction; Dublin, traditionally known as the 'city of saints and scholars' is the number one destination. It has history, charm, magnificent sights, museums, galleries, theatres, shops, pubs, restaurants and an abundance of character.

The Convention will be taking place at the Convention Centre Dublin (CCD) which is located in the heart of Ireland's vibrant, popular and historic capital city situated on the banks of the River Liffey, only 15 minutes from Dublin airport.

The Convention is held every four years in rotation in one of SI's five Federations and brings together Soroptimists from across the world to celebrate achievements at Club and Federation level, as well as enabling members to make and renew friendships amongst members from all corners of the SI world. More importantly, we learn and share best practices and how we can continue to update, upgrade and introduce new ideas on how to improve the lives of women and girls, in the current context of what is happening to marginalised and underprivileged communities. We are putting together an amazing programme bringing together world-renowned speakers on topical subjects of critical importance to the communities we serve.

For Soroptimist International Great Britain and Ireland (SIGBI), it is a great honour to have the privilege of hosting the SI World Convention, which, coincidentally, will be the first held in Ireland.

We are determined to ensure that the SI 2023 Convention in Dublin will be a successful and memorable event for SI in general and the 1,500 plus attendees, in particular. We are grateful for the strong support of the Irish and UK Governments and through the Dublin Convention Bureau (and Tourism Ireland). However, this Convention is not possible without sponsorship support from corporates to make it a great success. This will, indirectly, contribute to ground-breaking work for the benefit of communities that Soroptimist International serves in more than 120 countries in the world.

At a time of such rapid change this World-wide Convention provides a great opportunity to help shape the future. We look forward to discussing how we can partner with your company or organisation so that, together, we can host an exciting and truly world-class event.

Yours in Soroptimist Friendship,

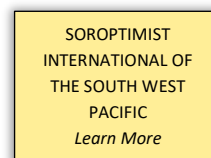

Sue Perry

Convention Chair

Soroptimist International Global Position & Advocacy

Soroptimist International advocates for human rights and gender equality through education and empowerment. At the heart of Soroptimist International’s advocacy is its work across seven United Nations Centres, in which twenty-one Representatives ensure that the voices of women and girls around the world are included in international decision making.

The current priority area of focus is the Sustainable Development Goals, which the UN set in 2015 as the agenda for the next 15 years, concentrating on Goal 4 – Education and Goal 5 – Gender Equality, and other areas that relate to women’s empowerment. Although women and girls make up half of the population they are consistently discriminated against, and their human rights are often ignored. Soroptimist International is continuously working as a global voice to empower, educate and enable women and girls to ensure the realisation of gender equality.
